EXPERIENCE

2018-2020

IG Wealth Management

GRAPHIC DESIGNER

- Initial primary focus on integrating new brand standards & guidelines to outdated content, while maintaining the integrity of the already-established company, through layout design, typography, graphic design, photomanipulation, & more. Focus evolved to creating fresh design content based off of new/current brand standards.
- Following direction and implementing creative solutions for design, culture/community, & workflow efficiency purposes.

2017-2018

Corporate Security Supply CSS, URBAN TACTICAL, HI-VIS CITY, & THE RANGE

GRAPHIC DESIGNER & MARKETING COORDINATOR

- Content creation for each company's social media profiles (Facebook, Instagram, Twitter) using photography, graphic design, and copywriting skills.
- In-store & external print & web advertising .
- Conceptualized, created, & executed the first annual Urban Tactical Look Book for print & distribution.
- Head of marketing, event coordination, & supply management for department.

2015-2016

EXECUTIVE SEO

GRAPHIC DESIGNER & ACCOUNTS MANAGER

- Served as the interface between the customer service & the sales team. Created & maintained long term relationships with the portfolio of assigned clients.
- Occasional logo creation for Canadian lawyers & lawyer groups, & monthly web advertising campaign design for local businesses.

2014-2015

DASH Agency

GRAPHIC DESIGNER & CONTENT CREATOR

- Used type, graphics, & imagery to create unique content on most social media platforms, in digital advertisements, & on websites.
- Key responsibilities included project management, creating visual concepts & stories for multiple brands on a daily basis, designing, & ensuring a smooth, timely implementation & execution of the finished product.

CURRENTLY

I own & operate a freelance graphic design and illustration business under my own name and have been doing so since 2018. In my career I have worked in collaboration with SnapChat, Towers Realty, RE/MAX, Scam Scate, MORGXN, Matix Lumber, the Winnipeg Police Department, Purple City Massage Therapy, the Portal, Clear Spring Ice, & several local theatre groups. I've also kept busy with pet portraits and logo creations for small businesses.

EDUCATION

2013-2014

Red River College

ADVANCED 3D COMPUTER GRAPHICS

- Solving complex visual problems while thinking creatively to design personally expressive, original artworks & 3D manipulations using technology.

2011-2013

Red River College

GRAPHIC DESIGN

- Emphasizing design fundamentals, creative problem solving, & effective communication solutions from marketing to fine art using technology & a variety of traditional mediums.

PROFESSIONAL SKILLS

Beginning with support work for adults with developmental disabilities (7 years) to the Graphic Design industry (6+ years), I am confident with:

- Adobe Photoshop, Illustrator, InDesign, After Effects, Premier
- Microsoft Word, Excel, Powerpoint, Outlook
- Mac, Windows
- Responsive website design using Wordpress & Wix
- Conflict resolution & creative problem solving
- Non-violent crisis intervention, suicide prevention, & first aid (all certified)
